For Immediate Release:

Dane G. Hansen Foundation Grant assists with purchase and renovation of office facility for Northwest Kansas Area Agency on Aging

A \$120,000 grant from the Dane G. Hansen Foundation, Logan, KS to the Northwest Kansas Area Agency on Aging will assist with the purchase and renovation of the main office facility in Hays, KS.

The Northwest Kansas Area Agency on Aging serves 18 counties and 41 senior facilities in northwest Kansas. Through these facilities, information and education relevant to the senior population is disseminated, including information on in-home services, nutrition services, long-term care options or insurance counseling.

Purchasing the current building at 510 W. 29th Street in Hays will allow the agency to expand into the other part of the building. The expansion will allow more space for volunteer training and educational offerings for seniors.
